# Hog Roasting

Feed from 90 to 240 people with the tastiest Free Range meat using our professional spit roaster oven.

If you need to feed a lot of people and want to host an event to remember then a hog roast is the perfect answer.

When you hire from Barrett Brothers you don't just get the oven. We have thought of nearly everything you will need to produce a professional looking and tasty meal for your guests.

It includes:

Essential equipment includes:

Professional Hog Roast Oven plus gas bottle(s), capable of cooking up to an 80kg Free Range pig.

A double axle trailer to transport all the equipment required.

One professional heavy duty temperature probe to ensure meat is cooked correctly. Five stainless steel trays, carving knife and fork and four oven gloves.

Additional equipment includes:

Easy-up Gazebo with sides to protect the food, you and the equipment from the weather.

Two trestle style tables for working on and serving from.

12volt inverter to run the motor from a car battery, 2 large bread baskets, extension lead, swing bin.

If you decide to hire the equipment without a chef you will find it all very straight forward. If you are buying your pig from us it will be fitted into the oven ready to go. We can deliver it to your venue in time for you to start the cooking and we can show you how all the equipment works and make sure your happy with it's operation and ensure your pig is cooked to perfection.
